Head Teacher: Mr. A Twyman BA Ed (Hons) MCCT

## Thinking About Reception

At HTL we understand that choosing a Reception place for your child is a very important and potentially difficult decision. You are making a decision about the school that will lay the foundations of your child's entire education and will be making decisions about what you as a parent want for your child now and in the future. We firmly believe that HTL is the number 1 choice of primary school in Sidcup and can summarise our offer in our motto, 'Transforming Lives, Building Futures'. HTL secures excellent academic outcomes for its pupils and imbues each of them in our 3 core Christian virtues of love, courage, and wisdom, ensuring that when they do leave us at the end of year 6, they leave us ready for the next phase of their education and beyond.

After a £350,000 investment to our building, we also now have the inspirational learning spaces to match our ambitious curriculum and excellent outcomes as well as the latest security and safety technologies to keep your children safe. Come to HTL and see what a difference we can make to your child.

We conduct tours each autumn term for prospective parents interested in their child starting Reception with us, please see our website for dates. If you would like to come and see what makes our school special, please do contact the office and book a place on a tour that suits you. If you cannot make any of the tours and would still like to visit us, contact the office and we will do our very best to accommodate you at your convenience. Tours are **very** popular, and places are strictly limited to ensure that everyone gets a good opportunity to see the school and speak to the head teacher. Please book early to avoid disappointment.
