Information on the Transfer to Secondary School in September 2021, Including Selection Tests for Grammar Schools

Dear Parents,

Usually at this time of year I write to the parents of children in year 5 to invite you to a meeting about transferring to secondary school and the 11+ selection test. During the briefing, I explain about the application process for secondary school, the arrangements and application process for the 11+ examination, share key dates and answer questions that you may have about the process.

Clearly this year it will not be possible to host the meeting in the usual way. I am mindful however about how important this process is for you and your children. I therefore propose to host the meeting online on the Zoom web conferencing application. Many of you will be familiar with Zoom I am sure but if you are not, you can simply click the link to the meeting below, install a small download on your device and join the meeting. Full support and instructions can be found online at www.zoom.us

The meeting will take place at 10am on Monday 4th May 2020. I apologise for the short notice but I have only just received the information from the Borough myself. The application window has now opened so it is important that we get the meeting done quickly.

The joining details are:

Topic: Year 5 Secondary Transfer Meeting

Time: May 4, 2020 10:00 AM London

Initially I have planned one meeting in the hope that it works. If it is successful and there is demand I will schedule a second meeting at a different time. I will also publish all the information on the school's website under the secondary transfer link which can be found in the 'Parents' menu. Please be aware that the meeting will be recorded for parents who can't attend as well.

I look forward to seeing as many of you as possible there.

Yours Sincerely

Mr. A Twyman
Head Teacher
