Face Coverings in School

Dear Parents,

I have received a communication from the London Borough of Bexley requesting that all adults wear face coverings when dropping their children at school and collecting them after school. The Local Authority feels that even with staggered starts and best efforts, it is difficult to maintain social distancing at these times, especially in larger schools such as ours and feel that face coverings would add an additional layer of protection to our community at this difficult and worrying time.

I would therefore like to ask that all adults wear face coverings when collecting and dropping off children at HTL with immediate effect. This is subject to the same exemptions for individuals with health conditions that apply in other scenarios where face coverings are required.

With many thanks in advance for your support and cooperation in this matter,

Yours Sincerely

Mr. A Twyman
Head Teacher
