Safety Information for Families

Dear Parents,

I am writing to inform you that one of our pupils was accosted by an unknown member of the public while travelling to school this morning. The pupil was unharmed and ran away from the individual concerned. The matter was reported to police by the parents of the girl in question and by me as well. Police Officers attended the school this morning and began making inquiries.

The police informed me that additional patrols will be put in place at school pick up and drop off times. The officers suggested that I pass on safety advice to the children in year 6 who most often walk unaccompanied. They suggested that we advise children to cover up the names that some of them have embroidered on their hoodies, to keep their phones in their pockets and to walk without wearing headphones. I visited both Y6 classes today and talked to them about doing these things.

My senior team and I will station ourselves outside of the school for the next few days to keep an eye on the children in the immediate vicinity of the school. I would like to urge all parents to be vigilant and report any suspicious activity to the police as soon as possible.

Yours Sincerely

Mr. A Twyman
Head Teacher
