Dear Parents & Carers

RE: Year 1 Alien Day

On Monday 18th of October we are celebrating our Alien day! We have been learning all about Beegu this term, who is a little alien who gets lost on planet earth! In conjunction with our 'Dare to be Different' Day, we would like the children to dress up as aliens. Can your alien dare to be different? Perhaps your alien will have odd socks, or maybe 3 eyes or how about both!?

As we will be making a spaceship/rocket to send Beegu home, (this links in with our DT topic of structures), we are kindly asking for you to provide some junk modelling materials for your child. These could be kitchen roll tubes; tin foil; cling film rolls; plastics bottles and their tops; buttons and anything else that we could use to make our spaceship.

Please bring in the resources on Monday 18th October, (the same day as dress up day!)

Please do not feel that you have to spend a fortune on an expensive alien costume! Homemade costumes look great and we want to make sure all of the children have a wonderful enrichment experience.

Thank you, for your continued support. We are going to have a magnificent day!

Yours faithfully,

The Year One team
