Dear Mr Winstone,

I am writing to thank you, your staff and your students for raising an incredible **£290.55** in aid of London's Air Ambulance. Your donation is greatly appreciated.

Every second of every day, London's Air Ambulance Charity is ready to deliver rapid response and cutting-edge medical care. Critical injury can happen to anyone, at any time. It is the biggest killer of people under 40. We bring the hospital emergency department to the scene, delivering life-saving treatment to the 10 million people who live and work in London.

Many people don't realise that we are a charity and rely on donations to keep our service running. Receiving only partial funding from the NHS, our ability to continue to treat severely injured people is dependent on the generosity of members of the public and organisations and, to-date, their support has helped us treat over 40,000 people. Choosing London's Air Ambulance as your Charity of the Year will contribute to the continuation of our life-saving service.

Yours sincerely,

Alison McGuinness
